20/04/2000
Rimini, Italy

currently living in Eindhoven, NL
Alard du Hamelstraat, 89

Professional experience

◇ Residency — Earthrise 2025 + final exhibition @ Circolo del Design
Turin, Italy | Sept 2025 - October 2025

Developed the project "Urgency Toolkit" and contributed to the exhibition "Where to, from here?" curated by Vera Sacchetti. Focused on research-based design and collaborative, participatory formats, resulting in a final toolkit showcased as part of the installation.

◇ Installation — Graduation Show 2025 @ Dutch Design Week (x DAE)
Eindhoven, The Netherlands | October 2025

Showcased an interactive installation titled "Ministry of Procedural Emergencies", combining conceptual design and audience engagement.

◇ Freelance Graphic and Social Designer
Eindhoven, The Netherlands | Jan 2024 - present

Manage creative projects and brand identities for clients, demonstrating adaptability, organization, and strong communication. Responsible for visual design, social media content, and client relations.

◇ Exhibition assistant — Decentralized Futures @ Dutch Design Week (x Baltan Laboratories)
Eindhoven, The Netherlands | October 2024

Supported the Baltan team during the exhibition, assisting visitors and explaining the presented projects. Monitored and maintained the technical setup, ensured smooth operations, and provided on-site support for any issues during opening hours.

◇ Symposium — Event organisation + final exhibition @ Koheluis Eindhoven (x DAE)
Eindhoven, The Netherlands | April 2024

The Symposium: "Around These Tables", supervised by Amal Alhaag, explored radical interdependence and collective transformation through a deconstructed dinner format.

Part of the communication team with Jip Van Egdom, Daan Walder, and Guillermo Cardenas, curating graphic identity, promotion, budgeting, and printed materials. Developed the project "Making Medicine" with Phoebe Hotopt and Ethen Ben Abda, exploring how individuals can reclaim medical knowledge through local, low-tech, and embodied care practices.

◇ Performance — Awkward Cues @ Dutch Design Week (x Baltan Laboratories)
Eindhoven, The Netherlands | October 2023

A series of spontaneous public exercises and interventions from the 1st year of Social Design with Mark Henning. The focus was on the body and the gym, inviting the audience to slow down, embrace confusion, and pause their routines, creating a moment to observe their surroundings and engage with awkwardness.

◇ Graphic Designer Junior @ Agenzia Image
Ravenna, Italy | Jan 2023 - September 2023

Worked on brand identity, communication strategies, and web design projects. Collaborated closely with senior designers and clients, ensuring visual consistency and timely project delivery.

◇ Graphic Designer Intern @ studio FM milano
Milan, Italy | March 2022 - June 2022

Assisted with branding, editorial design, and client presentations. Supported the design team in layout, typography, and content production for national and international clients.

Personal interests

◇ **Outdoors**
Playing basketball · Spending time in nature (walking, hiking, swimming in rivers or lakes, resting in open fields) · Exploring traditional and ancient sites · Traveling to new cities · Exchanging knowledge within communities · Spending time with friends · Visiting museums · Participating in workshops, talks, or events · Going to parties with a good vibe · Photographing landscapes, people, and everyday details.

◇ **Indoors**
Working at my computer (mostly) · Reading · Writing and taking notes in diaries · Drawing · Cooking (only when inspired) · Watching films or series I've postponed · Researching topics and events I want to deepen · Dreaming · Reflecting on life and future choices · Creating and nurturing safe spaces · Observing what's happening around me.
